Booking student accommodation in 3 simple steps

You can indicate your preferred type of accommodation (homestay, shared apartment or residence) on the application form during your application for a course. Our Student Services team will make a record of your preferred choice of accommodation.

Step 2

EP will be able to secure the accommodation option once the invoice has been paid. Our team will send you the accommodation confirmation with further details on the selected option.

Step 3

You will need to confirm your arrival and send your flight details to our team, as soon as the flight is booked and no later than one week before the flight date. Our team will be able to book and confirm your accommodation and/ or transfers and provide more details within the confirmation document.
