

Course description 17

Unlock your business management and leadership potential with our comprehensive four-week course, with the option to take two modules. During the course, you will embark on a transformative journey towards becoming an exceptional leader or business manager while also enhancing your English language skills.

Part I

Week 1: You'll learn the core principles of what makes a successful business. Week 2: Sharpen your understanding of leadership principles and communication styles.

Part II

Week 1: Looks at team dynamics and problem solving, empowering you to build and lead high-performance teams.

Week 2: Equips you with skills in financial and business planning and marketing.

Each week offers engaging discussions, real-world case studies, interactive activities, and independent, reflective exercises. Join us for a life-changing experience, supplemented by recommended readings and resources.

- Articulate the importance of verbal and non-verbal communication skills, active listening and empathetic communication.
- manage effective teams.
- Communicate with different personality types and cultural backgrounds to enable you to build and

- Identify and evaluate business opportunities and making difficult decisions.

Sample Timetable

Week one example timetable:

	Monday	Tuesday	Wednesday	Thursday	Friday
ion 1	Look at the different business sectors and functions and how they operate within a business as a whole.	Analyse businesses based on internal and external environmental factors.	Discuss ways in which businesses can innovate and make use of resources to help them grow.	Look at how to create effective presentation slides.	Present SWOT and PESTEL analyses of chosen organisations.
ion 2	Discuss the pros and cons of working in these areas and the challenges that might be faced, as well as within different types of organisations.	Look at and practise two different models to analyse companies: SWOT and PESTLE.	Use appropriate vocabulary to talk about ways to innovate and make recommendations using justifications.	Prepare an internal and external analysis of a company and give suggestions for future changes or plans.	Review the key takeaways and reflections from the week.
