Checklist & other useful information

Here are a few important items that you should bring with you:

- Passport
- Acceptance letter
- Accommodation letter
- Proof of health/medical insurance
- A bit of cash and credit/debit cards/ Apple or Google Pay
- Weather-appropriate clothing (depending on the season you come to Toronto)
- Adaptor for electrical appliances
- Prescription medication and medical records
- Emergency information

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 25-35°C in the Summer and 10-0°C in the Winter, although it can drop below freezing. Bring waterproof clothing if you're arriving in the Autumn or Winter.

Electrical current

Standard voltage in Canada is 120 volts; remember to bring an adaptor with you or buy one when you arrive.

Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible. Use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

Pocket money

Recommend weekly budget: \$250. This should cover expenses, laundry, local travel and activities. You will need additional money if you want to take weekend trips. Bring \$100 with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from a Canadian ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

School notifications

We encourage you to follow the school's WhatsApp account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. This is also where we will post notification of any unexpected school closures: it is important you check your WhatsApp for any messages while you are attending the school, especially if there is severe weather in the area (e.g. snowstorm, flood, etc.). If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling (if applicable).

When you arrive in Toronto

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

EP transfers

Students should arrive at Toronto Pearson Airport. We request that you book your flights according to the starting date of your specific program. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call one of the following emergency numbers. Please be prepared to tell them your name, school name (English Path) and location. Students should only accept a transfer from a greeter with the official English Path signage.

Transfer service emergency numbers: +1 437 655 6453

Local customs

Women in Canada are equal to men and should always be treated fairly.

Canadian people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations.

“Please” and “thank you” are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information. Say “sorry” or “excuse me” when you bump into someone. Upon entering a home, remove your shoes.

Canada is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

People in North America leave a tip for good service in restaurants, hair salons and other places. The tip rate at most restaurants is about 15–20% of the bill and is not usually included. Fast-food is not tipped unless it is delivered. Porters in stations, airports and hotels should be tipped approximately \$1 per bag.

- Prescriptions at a pharmacy: \$25 per item
- Dental treatment: \$150
- Eye test or new glasses: \$60-100

Taxi drivers are generally given a 15% tip.

Health and safety

- **Medical insurance:** all students must have medical insurance for the duration of their stay in Canada. You can either book medical insurance offered by English Path or you can choose your own.
- **If you get sick:** if you get sick while in Canada you should visit a doctor. You can ask the student services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** we strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.
- **Prescription medication:** remember to bring enough of your prescribed medication with you as Canadian pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.
- **Staying safe at school:** if you or another student has an accident or needs urgent medical attention, please come to reception where the first aider is located.
- **Fire safety:** If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 911. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:** Toronto is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In Canada, you do not need to always carry your identification card or passport with you, you can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.
