## Paris campus in the spotlight

Paris was founded in the 3rd century by a community of Celts. Today, it is one of the best places to be an international student. Paris has a unique culturally rich history filled with an active academic life and vibrant artistic scene. As an international student living abroad to learn French, you can learn foreign language and visit the iconic landmarks, explore the exhibits at the famous museums, enjoy the culinary delights, and the pace of living in a city that keeps on moving and changing with times. You can achieve all this with English Path.

## The Young Learners team

On campus, students will have the opportunity to interact with our Young Learners team. We are extensively trained and have undergone DBS checks; most importantly, we are here to assist. Our team consists of a diverse group of fully qualified professionals, all dedicated to providing our students with an exceptional learning experience. Students will be assigned to lessons based on their proficiency levels, [determined by a placement test \(click here to take test\)](#). They will receive all essential learning materials required for their courses.
