Stratford campus in the spotlight

Stratford has undergone significant transformations since the London 2012 Olympic and Paralympic Games, including the impressive Queen Elizabeth Olympic Park and Westfield Stratford City. With excellent transport connections, iconic attractions like Big Ben and Madame Tussauds are more accessible than ever. Visit Stratford and immerse yourself in the local culture while learning English.

The Young Learners team

On campus, students will have the opportunity to interact with our Young Learners team. We are extensively trained and have undergone DBS checks; most importantly, we are here to assist. Our team consists of a diverse group of fully qualified professionals, all dedicated to providing our students with an exceptional learning experience. Students will be assigned to lessons based on their proficiency levels, [determined by a placement test \(click here to take test\)](#). They will receive all essential learning materials required for their courses.

Do not forget!
