## Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible. Use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

## Pocket money

Recommend weekly budget: £150. This should cover expenses, laundry, local travel and activities. You will need additional money if you want to take weekend trips. Bring £100 with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from a UK ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

## Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 25-30°C in the summer and 2 to 6°C in the winter, although it can drop below freezing. Bring waterproof clothing if you're arriving in the autumn or winter.

## Electrical current

Standard voltage in the UK is 230 volts; remember to bring an adaptor with you or buy one when you arrive.

## School notifications

We encourage you to follow the school's Instagram account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. This is also where we will post notification of any unexpected school closures: it is important you check our Instagram account for any messages while you are attending the school, especially if there is severe weather in the area (e.g. snowstorm, flood, etc.). If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling, (if applicable). Follow EP! @englishpathschools

# When you arrive in London

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

## EP transfers

You should arrive at Heathrow/Gatwick/Luton Airport. We request that you book your flights according to the starting date of your specific programme. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

## Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call emergency number. Please be prepared to tell them your name, school name (English Path) and location. Students should only accept a transfer from a greeter with the official English Path signage.

## Local customs

- Women in the UK are equal to men and should always be treated fairly.
- All people treat one another with dignity and respect. British people are very empathetic, often consider the feelings of others, and are willing to listen to those with different views and opinions.
- British people sometimes talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- The UK is a culturally diverse nation where people of all ethnic backgrounds are treated equally. All individuals should challenge any prejudice they witness (prejudice is the negative opinion or feelings towards something or someone without reason).
- People in the UK leave a tip for good service in restaurants, hair salons and other places. The tip rate at most restaurants is about 10–15% of the bill and is sometimes included. Fast food is not tipped unless it is delivered. Porters in stations, airports and hotels should be tipped approximately £2 per bag. Taxi drivers are generally given a 15% tip.
- No one is above the law, which is put in place to protect everyone. Students should be aware of their legal rights and responsibilities. All individuals hold freedom of choice (within the law).

## Health and safety

- **Medical insurance:** If you are studying in the UK for less than 6 months, you should take out private health insurance before coming to the UK.  
  
If you need to see a doctor, you may go to one of the walk-in centres. To find the walk-in centres nearby you visit: [clch.nhs.uk/services/walk-in-centres](http://clch.nhs.uk/services/walk-in-centres)
- **If you get sick:** If you get sick while in the UK you should visit a doctor. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness, you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.

- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.
- **Prescription medication:** Remember to bring enough of your prescribed medication with you as UK pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.
- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to reception where the First Aider is located.
- **Fire safety:** If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 999. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:**  
  
London is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In the UK, you do not need to always carry your identification card or passport with you, you can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.

 **Emergency services**

- Call 999 in case of fire, a medical emergency or if you need the police.

 **Medical costs**

- Please note that everyone is entitled to free emergency medical treatment in the UK. However, if you are admitted to hospital, you may be charged if you are not entitled to free medical care (as described before).

 **Laws**

- Smoking is banned in all public buildings in Britain including bars, restaurants, shops, stations, cinemas, and all public transport. You can smoke on the street.
- No one under the age of 18 in the UK may buy or consume tobacco or alcohol, including beer and wine. If you are under 18, it's against the law for someone to sell you alcohol, to buy or try to buy alcohol, and for an adult to try to buy alcohol for you.
- For drivers, you must drive on the left hand side, observe all speed limits and signs, give way to emergency vehicles, obey all directions given by police, stop at red traffic lights, and must wear a seatbelt.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
- You will need international ID to enter bars, clubs or pubs (e.g. Passport, ID card, driving license).
- Buying, selling and using drugs is illegal.

 **Student code of conduct**

- You must attend all classes. If you do not attend your classes your representative will be informed. If you do not then improve your attendance you may not be able to continue your course. 85% attendance is needed to be able to receive a certificate of completion.
- Be on time for all your lessons.
- Always tell English Path if you are going to be absent from school for any reason and tell your host family if you are going away overnight.
- If you commit a criminal offence or have to be severely disciplined you will be sent home. We will also inform the immigration authorities.
- Be respectful, polite and open to different cultures.

- Main banks in the UK are HSBC, Barclays, Natwest, Nationwide and Santander. To open a bank account, the following documents may be needed:
  - Passport or EU ID
  - A valid visa
  - A school letter
- You can get the school letter from Student Services to take to the bank. For online banks, you may open your account online without the letter from us.

# Study tips

## Study skills

Study skills are how we can organise and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have much better chance of remembering the language and can use it correctly in the future. We would like to teach you some ways to keep learning and improving your English skills. If you practice these Study Skills, it will help you to continue your English language learning wherever you are.

### Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than the translation of individual words. Translating individual words can often lead to misunderstandings. A great big paper mono-lingual dictionary is best but Cambridge, for example, has an advanced learners' dictionary at [www.dictionary.cambridge.org](http://www.dictionary.cambridge.org), which is easy to use and provides examples of word use.

### Learning vocabulary

When you record vocabulary, you should also include longer phrases like phrasal verbs (e.g. get away with), multi-word expressions (e.g. How's it going?), idioms (e.g. raining cats and dogs), and collocations (e.g. take a chance). Please see the language bank, irregular verbs and phonemic chart in appendix 1 and 2.

### Tracking your progress

As well as placement, weekly and monthly testing, there will be a group study skills session every four weeks where your teacher will give feedback to the class and tips about how to improve in the areas you need help with.

## Learning resources

### Listening - What to listen to?

Try to listen to as many different types of spoken English as possible, to improve your listening. You can find lots on the internet:

- Music and songs
- TV shows, the news and films
- Speeches and interviews
- Audiobooks

### Writing - What to write?

Getting the new language you've learnt on paper can really help to consolidate your learning. Think about the language you've learnt that week and try the following:

- Write an email to a friend/teacher
- Write a diary/journal
- Write a shopping list

### Reading - What to read?

There's so much you can read to practice your skills; it doesn't have to be a book. You can read signs, newspapers, or even the back of food packets!

- Find an interesting article online?
- Choose a book you've read in your own language and get reading!

Find an e-book and read it on your daily commute. This site has lots of free ones: [gutenberg.org](http://gutenberg.org)

### Library and study area

We have a bright and welcoming Library and Study Centre available for students, which provides a fantastic opportunity to help you get more out of your studies.

There are open study areas for group work and quiet areas for focused self-study, as well as bookable study rooms. There are also a range of books and computers available for you to use and a Library Assistant will be available to help you find anything you need.
