Young Learners Middlesex

The Young Learners team

On campus, students will have the opportunity to interact with our Young Learners team. We are extensively trained and have undergone DBS checks; most importantly, we are here to assist. Our team consists of a diverse group of fully qualified professionals, all dedicated to providing our students with an exceptional learning experience. Students will be assigned to lessons based on their proficiency levels, determined by a placement test (click here to take test). They will receive all essential learning materials required for their courses.
